## WELCOME, NEW IN-SCHOOL MENTORS!

This year, we have two new in-school mentors. At Wooster High School, we welcome Mrs. Cheryl Goff, who is a guidance counselor. At Orrville High School, we welcome Mrs. Tisha Berry, who is an English teacher. They both bring abundant knowledge and enthusiasm to the program.

In welcoming the new in-school mentors, we remember and thank Mrs. Cantey, who was the Wooster in-school mentor for 6 years at Wooster and worked with Upward Bound in other ways since 1999, and Mr. Mankins, who was the in-school mentor for 3 years at Orrville. Our program has been so fortunate to have the leadership of these educators.

We also welcome back Mr. Brunner at Timken for his 14<sup>th</sup> year as in-school mentor, and Mr. Smith at McKinley, who is starting his 5<sup>th</sup> year. We are grateful for their commitment and continuing contributions to the program

## CORRECTIONS

You may already know the difference between **the capital** and **the Capitol**. If so, you would have caught the error in our last newsletter. Washington DC is the capital of our country. The building which houses the Senate and House of Representatives is the U.S. Capitol. Our apologies to Congressman Boccieri, whose name was spelled incorrectly.

## WHO YOU GONNA TEXT?

Now you can contact both Mr. Lee and Mrs. Miller by texting. Mr. Lee's number is 330-465-4969. Mrs. Miller's is 330-234-0269. Phone calls to Mrs. Miller should still go to 330-465-2306 or the office phone 330-287-1284.

## **DON'T MISS THE COLLEGE FAIR!**

There will be an amazing number and variety of colleges at the fair. Come pick up information and talk with admissions representatives.

### **WAYNE COUNTY**

September 28, 2009 6:30 – 8:00 PM at Wooster High School

### **STARK COUNTY**

October 7, 6:00 – 8:00 PM Memorial Civic Center

## **ATTN: CANTON STUDENTS**

Earn a 3.0 GPA or better, be eligible for a Pell Grant, and the University of Toledo will take care of your tuition! It's called the U-T Guarantee, and for a while it was available in only 8 cities in Ohio. Now the opportunity has been expanded to 21 communities, including Canton. So, if your family can't pay for your college, but you can earn a 3.0 or better GPA, your college tuition is paid for! Effort put into your studies can pay off in thousands of dollars!

## **WOOSTER STUDY TABLE STARTS**

Wooster Study Tables will start on Tuesday, September 22, and will take place every Tuesday and Thursday, from 3:30 – 5:30 on the 2<sup>nd</sup> floor at the public library in Wooster. The Study Table is open to any UB student who would like to use it, and students may arrive at any time the study table is open. When mid-term grade reports come out, students who need tutoring will be assigned a certain number of required hours.

## **STUDENTS TO CREATE NEWSLETTER**

Future newsletters will be created in large part by UB students. Students will decide what stories they want to write about their school group and an editor in each school will prepare the stories and pictures for publication. UB students did an extraordinary job with the summer newsletter — we can all look forward to some exciting newsletters this academic year!
